## *Building houses, building hope...*

Habitat for Humanity of Greater Newburgh is dedicated to providing safe, decent, affordable housing in partnership with local, hard-working families in need. Reaching across racial, religious and cultural boundaries, we seek to restore a sense of community with the common goal of strong neighborhoods and dignity through homeownership.

### **House by House**

Habitat Newburgh began its work in 1999 on the east end of the City of Newburgh, ranked by the 2000 Census as the 4th most distressed urban area in the United States. Since then, our dedicated volunteers and supporters have made great strides for families and our community. By the day of this golf event, we will have built 43 houses that over 210 children and adults now call home, and returned more than \$7.5 million to the City's assessed property values. Your support has allowed us to transform homes and more importantly, transform lives.

### **Neighborhood by Neighborhood**

After careful planning to revitalize a blighted neighborhood neglected for over 20 years, Habitat Newburgh and project partner Leyland Alliance have completed the first phase of what will soon be a 24-house, mixed income neighborhood on E. Parmenter Street. Just one block from Washington's Headquarters, this street has already seen a reduction in crime and vagrancy, and will soon be a community for almost 100 residents, complete with pocket parks, and within walking distance of shops and cafes on Liberty Street. Thank you for helping us make a lasting difference in our community!
